WCA12SS	12
WCA14SS	14

- Allows a chimney cap to be mounted to a “B ” gas vent pipe
- The adapter is crimped on top and bottom to fit inside of the pipe, thus is used as an extension of the inner lining for a chimney cap to fit over it.
- Collar protects the pipe from water and other weather
- Constructed of durable stainless steel, won't rust.
- Easy removal for clean-up.
